

GULLANE BOWLING CLUB

Newsletter – February 2019

Welcome to the first Gullane Bowling Club newsletter for 2019. Thank you so much for joining the Club. Your support is greatly appreciated. The new Committee has found the enthusiasm in the community so encouraging and your financial support through up front subscriptions and donations has enabled us to make an early start on improving the Club's facilities.

The Clubhouse

Essential electrical, heating and plumbing work has already been completed to ensure we meet safety standards. Other improvements including fire safety measures and redecoration are underway. Further enhancements to the facility are planned for the coming season.

The Green

A considerable amount of work has been done over the winter to improve the condition of the green and we are very grateful to Kevin Mitchell for his significant efforts so far.

East Lothian Bowling Leagues

MEN – We are delighted that GBC will resume participation in the senior and ordinary leagues.

LADIES - We will continue participating in the senior league and also resume participation in the ordinary league.

East Lothian Bowling Association has welcomed GBC back and offered to help the Club in any way. We look forward to taking our place in the leagues. We will be providing further details in due course.

AGM

The AGM will be held in the Clubhouse at 7pm on 4th March.

Formal business will be carried out as usual but the main aim this year is to provide an opportunity for you to meet the new office bearers, other new and existing members and to discuss the vision for the future of GBC as a key part of the community. We look forward to hearing your views.

OPEN DAY

We are holding an open day on Sunday 10th March from 12 until 3pm - all are welcome. It's an opportunity to see what the Club has to offer, have a go if you are new to the game or get your first practice in before the new outdoor season starts. You can also sign up for membership on the day, if you haven't already done so.
